Dear Mr. and Mrs. Gambino,

As Chairman of the Board, it is my great honor to recognize our most generous donors. This honor is even more gratifying when I have the privilege to thank those who have supported our organization for years. Thank you for the Gambino Medical and Science Foundation's pledge in support of Dr. Laurence Epstein and Electrophysiology at North Shore University Hospital.

The Gambino Medical and Science Foundation is a leader in our community and through its generosity, vision and compassion, we are able to provide the finest medical care and treatments to our patients and their families during the most stressful situations.

Sincerely,

Mark L. Cluster
