

THE GAMBINO MEDICAL & SCIENCE FOUNDATION  
TWENTY-SEVENTH ANNUAL GOLF OUTING - MONDAY, JULY 25, 2022

*All necessary Covid-19 precautions will be taken to ensure a safe environment.*

*Dear Friends:*

*On behalf of The Gambino Medical & Science Foundation, we cordially invite you to tee-off at our Twenty-seventh Annual Golf Benefit at the Sands Point Golf Club - Sands Point, New York on Monday, July 25, 2022. There will be two separate programs: one in the "AM" and one in the "PM". The day will feature the highly competitive Sands Point Course - trophies, prizes, refreshments and entertainment.*

**PROGRAMS SUPPORTED BY THE GAMBINO  
MEDICAL & SCIENCE FOUNDATION**

*Since 1992 The Gambino Bone Marrow Transplantation Unit at Cohen Children's Medical Center of NY has been doing valuable work in the fight against childhood cancers and other life threatening diseases. Installed over 28 years ago, the multimillion dollar Gambino Bone Marrow Transplantation Unit is one of the most advanced in New York. **Commitment Fulfilled!***

*The Research Center for Alternative Therapy for Children with ADHD, supported by GMSF through our 5 year \$ 250,000 commitment, has made a profound difference locally and nationally, by improving the care of children with learning and behavioral problems. **Commitment Fulfilled!***

*The Gambino Medical & Science Foundation has completed its 2 year \$ 375,000 commitment which supported the establishment of a center for pediatric diabetes. The Center for Childhood Diabetes provides an integrated approach to the care and treatment of diabetes. The Center brings together medical, psychological and social services. **Commitment Fulfilled!***

*The Gambino Medical & Science Foundation has completed its 2 year \$ 500,000 commitment to expand The Pediatric Epilepsy Center whose purpose is to use state of the art equipment to properly diagnose children with epilepsy, promote the prevention of and advance the treatment of epilepsy. **Commitment Fulfilled!***

*The GMSF Trauma & Imaging Center is a state of the art unit serving Long Island & has had a great impact on the Pediatric Emergency Center & the Children it serves. Only \$ 200,000 is remaining on this \$ 5,000,000 pledge. Please help us complete this goal.*

*The Frances Gambino Lectureship GMSF's \$ 100,000 pledge in 2021 established the Frances Gambino Lectureship to strengthen Northwell Health's goal of providing the finest medical care, research and education. **Commitment Fulfilled!***

*The Frances and Thomas Gambino Professorship in Hematology/Oncology is GMSF's current \$ 3,000,000 pledge providing funding for an endowment, in perpetuity, supporting a Professorship in Hematology/Oncology. This is a very important component in the fight against childhood cancer. We have a \$ 1,732,000 balance due remaining. Please help us complete our pledge!*

**THANK YOU!** *We sincerely appreciate your generosity in these most worthy causes. 100% of the proceeds from GMSF fund raisers go directly to these programs at Cohen Children's Medical Center of New York.*
